Sub: Leasing out land in Devarayandurga State Forest Tumkur ... for the purpose of starting a model dairy farm — Request by Shri K.V. Puttagangaiah Tumkur.

AF No. 352/55/57 (1) Letter No. B3-90-738/57, dated 27-7-1957, from the C.C.F. Bloe recommending the lease of land in Devarayandurga State Forest Tumkur to Shri K.V. Puttagangaiah, Tumkur, for dairy farm on the conditions suggested by the DFO and the Cons. of Forests Bellary.

Under the circumstances reported by the C.C.F. B'lore, ~~the~~ an area of 50 acres in the Devarayandurga Forest, may be leased out to Shri K.V. Puttagangaiah for dairy farm. A draft G.O. is put up for approval.

Ves 23/9/57 (2) Pls my see w. for rule if any

E.P. Pillai

DS

(3) 26.9.57 It is a mere lease of forest land for 20 years which need not go to Plans Dept. We may approve the proposal.

But there should be one more clear condition to see that the purpose for which it is given is served i.e. he must maintain at least a good certified herd of 50 cows continuously within six months from the date of lease & that the land should not be used for any crops other than fodder & fruit plants & even if he grows fodder food crop, it should not be in an area exceeding 5 acres. Without this condition, there is scope to use the land for merely cultivation. Failure to abide by the condition will result in cancellation of lease.

MYSORE GOVERNMENT SECRETARIAT
NO.....
30 JUL 1957
ANIMAL HUSBANDARY & FOREST

Sir,

Sub: Leasing out land in Devarayanadurga, State Forest Tumkur - for the purpose of starting a model daily farm - Request Sri.K.V.Puttagangaiah, Tumkur.

In forwarding herewith copies of the marginally noted references received from the Conservator of Forests, Bellary Circle on the above subject, I write to State that a similar application of the present applicant was already rejected by Government in their endorsement No.AF.3380 dated 15-7-54 (Copy enclosed). However I have no objection to lease out an area of 50 acres in favour of the applicant as recommended by the Conservator of Forests, Bellary on the terms and conditions suggested by the District Forest Officer, Tumkur and modified by the Conservator of Forests, Bellary, if the Government so desires.

C.No.7 dated 10.7.57 from the Conservator of Forests, Bellary.

Letter No.393 dated 8.7.57 from the District Forest Officer, Tumkur to the Conservator of Forests, Bellary.

The sketch of the area and the application accompany for reference.

Yours faithfully,

(M.A.MUTHANNA)
CHIEF CONSERVATOR OF FORESTS.

mlg.25/.

Copy of letter No.C.No.7 dated 10th July 1957 from the Conservator of Forests, Bellary Circle, Bellary addressed to the Chief Conservator of Forests, Government of Mysore, Bangalore.

Sub: Leasing out land in Devarayanadurga State Forest for the purpose of starting a model Dairy Form.

In forwarding herewith a copy of report No.393 dated 8.7.57 along with its enclosures received from the District Forest Officer, Tumkur regarding the above mentioned subject, I write to state that the Minister for Forest & Agriculture was pleased to instruct the District Forest Officer, Tumkur during his inspection of Devarayanadurga State Forest on 4.7.57 that the prayer of the applicant may be considered favourably. I also inspected the area in question and found that the same is covered with Muggali and Lantana. The land may be leased out to the applicant on the terms and conditions stated by the District Forest Officer, Tumkur with a modification that the rental to be paid should be raised to Rs.50- per acre after a period of five years from the date of handing over the area, for the balance period of the lease.

Copy of letter No.393 dated 8.7.57 from the D.F.O. Tumkur.

Sub: Leasing out land in Devarayanadurga State Forest for the purpose of starting a Model Dairy Farm.

In submitting herewith the petition addressed to the Hon'ble Minister for Agriculture and Forests in Mysore received from Sri.K.V.Puttagangaiah, Contractor, Somesvarapuram Extention, Tumkur regarding starting of a Dairy Farm along with the sketch, I write to state that on similar application made by the said contractor for permanent alienation of the land in Devarayandurga State Forest in September 1953 Government were pleased to order in their No.AF.3380 dated 15.7.54 that his request cannot be granted as the area applied for by him is under artificial regeneration, copy of which is herein enclosed for kind reference.

The Hon'ble Minister on 4.7.57 while inspecting the Kumbarnahalli Taluk in Devarayanadurga State Forest has opined that the land which is marshy and unfit for artificial regeneration may be considered for being leased out for starting the Dairy Farm to any private agency who come forward to start the same. Further it is also under contemplation of the Hon'ble Minister for permitting the restoration of the above tank to facilitate irrigation of the lands in "Achkat" beyond the State Forest and to help the ryots to increase the Food production. As a result of this due to heavy sepage of water beyond the tank bund, it may be difficult to extend the plantation in the above block.

Since the Hon'ble Minister has kindly inspected the spot applied for by the applicant, the question of leasing out the area is left to the Government on the merit of the case. In case Government considers that this application favourably the said land may be leased out on the following conditions and any other conditions which are necessary to be inserted by the Department.

1. The area granted should not be more than 50 acres (fifty)
2. The area granted should be properly demarcated and fenced.
3. The existing valuable tree growth including M.F.P.yielding trees should be protected and the entire right regarding disposal and crop vests with the Department.
4. The cattle that are maintained by him should not be allowed for grazing in surrounding regenerated area.
5. The rental to be paid to the Department by the applicant is Rs.1-8-0(Re.one and annas eight only) per acres from the date of taking possession of land by the applicant.
6. The period of lease is only twenty years.

P.T.O.

10

7. If the applicant fails to put the land into use for which the land is granted within three years from the date of sanction the entire area will be resumed to department without assigning any reason. The applicant will have no right whatsoever spent on this land.
8. On expiry of the lease period he should give back the area with all the improvements done in the land and he will have no claim on the building and properities which are in the land.

TUMKUR

12

From:
Sri.K.V.Puttagangiah,
Contractor, Someswarapuram Extension,
Tumkur.

To,
The Honourable Minister for Agriculture
and Forests in Mysore,
Bangalore.

Through, The District Forest officer, Tumkur Division, Tumkur

Sir, Re: Grant of land in Devarayandurga State forest for the purpose of starting a model Dairy Farm.

OFFICE OF THE DISTRICT FOREST OFFICER
No. 337
Date 8/7/57
TUMKUR

I wish to bring the following for your kind and favourable consideration.

During your visit to Tumkur on 4-7-1957 you were pleased to inform that the Government are desirous of encouraging the starting of dairy and fruit farms by private agencies. You also made kind enquiries as to whether any persons in this town ~~were~~ is willing to undertake the venture, in which case, the Government would give the requisite land in state forests on lease and also aid financially in the shape of loan on a long term basis.

I informed your Honourable self that I am desirous of starting a dairy farm for which purpose I applied for fifty acres of land in survey No.20 behind Kumbarahalli Tank in Devarayandurga state forest in Tumkur taluk, a sketch of which is herewith enclosed. This request of mine was made as far back as 1953. This was not favourably considered then on the ground that the policy of the Government was not to lease out forest lands.

The land in question was inspected by you in detail on 4-7-1957. Having been encouraged by your gracious opinion that the land is suitable for the purposes of Dairy and fruit farms, I am submitting this application again for the grant of this land to me for starting a dairy farm.

The land in question is a marshy one in which, there are no valuable plantation trees. This land is suitable for the growth of grass required for the cattle and for the growth of some fruit plants.

This land was also inspected by the Conservator of Forests, Bellary circle and the District Forest Officer, Tumkur on 7-7-1957.

Hence I request you kindly to lease the land in question to me on a long term of at least twenty years, to enable me to start the much cherished dairy farm.

In this connection I wish to bring to your kind notice that the Town of Tumkur with a population of nearly fifty thousands is not having proper milk supply and is depending solely on individual vendors, who, mostly do not supply wholesome milk.

I am agreeable to abide by the conditions to be prescribed by the Government and also give a guarantee that on no ocassion will the cattle to be maintained by me be allowed to stray and roam about in the neighbouring jungle.

Once again I request for your early favourable order in the matter.

Thanking You,

Yours faithfully,

K. V. Puttagangaiah. 7.7.57

(K.V.Puttagangiah.)

Tumkur,

Dated 7-7-1957.

Copy of the agreement 23 24

Agreement made this day the 3rd Jan., 1958 between Sri - K.V.Puttagangiya, Contractor, residing in Tumkur Town (Someswarapura Extension) herein called the Grantee (which term shall where the context admits, includs his heirs, Executors, administrators, legal representatives and assigns) of the one part and the District Forest Officer, Tumkur District (which expression shall where the context so admits include his successers in office) on behalf of Government of Mysore (Herein called the government) of the second part.

Where as the above grantee has been granted 50 acres of land in Davarayanadurga State Forest as per G.O. No. AFD 352 D.S.T.57 Bangalore 6-11-57 to open a diary farm. That the area of 50 (fifty) acres of forest land which is marshy and unfit for regeneration of Forest in the Davarayanadurga State Forest has been leased out for a period of 20 (twenty) years for the above grantee for starting a diary farm with the following conditions:--

1. The area granted is marked by the Forest surveyor and handed over to the grantee by the Range Forest Officer K.V.Puttagangaiah 3.1.58 this area should be properly damarcated and fenced by the grantee himself.

2. The existing tree growth in the land marked and enumarated by the Range Officer and all the M.F.P yielding trees should be protected by the grantee, the entire right regarding the disposal of trees and crop vests with the Department.

3. The cattle that are maintained by the grantee should not be allowed for grazing in the sorrounding areas.

4. The grantee should pay to the Forest Department at the rate of Rs. 1-8-0 (one and annas eight) per acre per annum for the I year and Rs. 3/- (three) per acre per annum during 2nd year and Rs. 5/- ((five) per acre per annum for the remaining period of lease.

5. The land should be used for the purpose for which it is granted.

6. The grantee should maintain at least a good certified 50 (fifty) cows continously within six months from the date of lease.

7. The grantee should not use the land for raising any crop other than the fodder and fruit plants and even if he grows fodder and food crops it should not be in an area exceeding 5 (five) acres.

8. The grantee will not have any objection in allowing the water for the use of neighbouring ryots in the Achkat of Kumbarhalli Tank and for the Departmental purposes, through the channel that is running in the land for the purpose and also for the improvement of the said feeder channel from the above tank by the Forest and Public Works Departments.

9. The area should be kept open for inspection of the Forest Officers at any time.

10. After the close of 20 (twenty) years of lease the grantee should vacant the land as it is to the Forest Department.

Breach of any of the above conditions will entail resumption. Further the Government is also pleased to direct that the lease of the land should be cancelled and the land resumed, if any one of the conditions mentioned above enfringed. The Government will not be responsible for any loss araising out of this and the grantee will be solely

AFD 352 DST 57

Dear Sir,

Sub:- Grant of Land for Diary Farm and Fruit Orchard in Devarayanadurga State Forest.

I beg to state that the Governmant was pleased to sanction 50 acres of Forest Land on lease for a period of 20 years to start a Dairy Farm and Fruit orchard vide G.O.No.AFD 352 DST 57 dated 6-11-1957 (enclosed).

The land in question was handed over to me on 3.1.58. The land had very thick jungle growth and not having a Flat surfaee. Since there was not proper rains in the area, the clearance of jungle and uprooting from the hard soil took good lot of time and effort. I was forced to import skilled and hard Labour from Chitaldrug and Bellary District by paying very heavy advances and Rates, since local labour was not forthcoming to take up this kind of difficult nature of work in the forest area. The thick jungle growth has now been cleared all over 50 acres and the land has been brought to a better condition at a very heavy cost and labour.

Unfortunately monsoons failed andthere was no rain in the area till now. With much difficulty I have planted Fruitpl. and para-grass which are withering due to want of water. The T above has not received even a drop of water up to date.

I have been forced to excavate wells and arrange for lift rigation pumps, which item of work has taken much of my finance time and labour. Now the Electric Board has sanctioned Electri power and I have arranged to instal three 5 H.P. Motor and pump by the end of this month for irrigation to Fruit plants and par grass.

Supply of water and Fodder is absolutely necessary to main a Dairy Farm of 50 Cattle as per clause No. 7 of the Governmant order. Due to failure of rains, it has been a problem for me, a how the Diary farm should be maintained withoutwater and Fodder a thick forest area. I am doing my very best to start the Di farm at theearliest opportunity expecting that therains would help me in the near future.

P.T.O.

Under the above unforeseen circumstances, I beg to request you to Kindly extend the time limit by about six months and help me to start and run the Diary Farm without any more delay and excuses.

Thanking you,

Yours faithfully,

K. V. Puttagangaiah.

MYSORE GOVT. NO..... 30 OCT A. & F. DEPTT., CO-OPERATION BRANCH

Sir,

Request of Sri K.V.Puttagangaiah, Contractor, Tumkur for grant of extension of time for starting the Dairy Farm.

Ref:-Your memo No.AFD 352 DST 57 dated 24-9-58.

I write to state that in persuance of G.O.No.AFD 352 DST 57 dated 6-11-57 an area of 50 acres in Devarayanadurga State Forest was handed over to the applicant on 3-1-1958. As per the terms of the G.O. the applicant should have started the Dairy Farm within six moths from the date of the lease i.e. 3-7-58. He now requests for reasons stated by him in his application to extend the time limit by another six months. In the circumstances stated by the applicant extension of time upto 2-1-1959 for starting the Dairy Farm may be granted as a special case.

The application is retransmitted.

Sir,

Subject:- Starting a Dairy farm by Sri. K.V.Puttagangiah, in Devarayanadurga State Forest as per Govt. Order A.F.D.352-DST-57 dated 6-11-57.

Since rains failed in the area I prayed for extension of time to start the Dairy Farm and Government were pleased to extend the said time till 31-3-59 vide Government Order No. AFD 352 DST 57 dated 5-1-59. There has now been a complete failure of fodder facilities due to the complete failure of rains this year in the area. Even the para grass planted in the area of about 10 acres has withered away completely and there is no water to drink for cattle in that area. Hence I am obliged to take up the work of digging of wells at heavy cost and even in this water has begun to fail. I have decided to deepen them and do my best in the matter at very heavy cost. This failure of rain is an unforseen circumstance. Unless firm arrangements are made for supply of water and fodder particularly during the summer season, no cattle can be made to live and thrive in the area. I have been doing my best in the matter and I hope that by the next rainy season, the wells will be deepened enough thereby good supply of water.

I would therefore request you to be good enough to extend the time for a further period of at least 6 months from 31-3-59 ~~xxxxxxxxxx~~ by which time fodder will have come up well and water supply assured. For digging the wells and installing I.P. sets I have spent more than nearly Rs.25,000/- and in spite of it water has failed due to unprecedented causes beyond the control of human beings. I expect early favourable orders in this behalf so that the necessary action in this direction may be taken by me by the end of September 59.

Thanking you.

Yours faithfully

sd/- K.V.Puttagangaiah.
